

Série ATI - Termopares de isolamento mineral
Série ATT - Termorresistências

ATI-300 ATT-300	ATI-301 ATT-301	ATI-302 ATT-302	ATI-303 ATT-303	ATI-304 ATT-304
 <p>Termopar/Termorresistência com cabeçote e rosca.</p>	 <p>Termopar/Termorresistência com extensão N, cabeçote e rosca.</p>	 <p>Termopar/Termorresistência com cabeçote, extensão N e rosca.</p>	 <p>Termopar/Termorresistência com cabeçote e buçim.</p>	 <p>Termopar/Termorresistência com cabeçote, rosca e skin-point.</p>
 <p>Termopar/Termorresistência com skin-point, buçim e porca de fixação.</p>	 <p>Termopar/Termorresistência com cabeçote sem rosca de processo.</p>	 <p>Termopar/Termorresistência com cabeçote, extensão N e tubo de proteção.</p>	 <p>Termopar/Termorresistência com cabeçote, niple, união, TE de redução e flange com orifício.</p>	 <p>Termopar/Termorresistência com cabeçote e extensão N.</p>
 <p>Termopar/Termorresistência com cabeçote, niple e rosca fêmea.</p>	 <p>Termopar/Termorresistência com cabeçote e porca louca.</p>	 <p>Termopar/Termorresistência para máquinas de leite.</p>	 <p>Termopar/Termorresistência com cabeçote e tri-clamp.</p>	 <p>Termopar/Termorresistência com cabeçote, união e tri-clamp.</p>
